

### Ideas for use

Experts all agree that positive reinforcement and praise is the best way to mold your child's behaviour. If you are like many of us who hear ourselves saying 'well done' a million times a day then this chart is for you.

Here are 60 different ways to say well done - use it to improve your children's vocabulary and their behaviour!

*Different ways to say well done!*

Great work	Good	What a fine job	Congratulations	I really like the way you...
